 DEPONENT

the first time in the history of the world, the people of the United States have been called upon to determine whether they will submit to the law of force, or the law of the Constitution. We consider the question to be, whether the Southern Slaveholding States have a right to secede from the Federal Union; and, if so, whether the Federal Government has a right to suppress them by force. We believe that the Southern Slaveholding States have a right to secede from the Federal Union; and, that the Federal Government does not have a right to suppress them by force.
